A Gift to The Children's Hospital of San Antonio Foundation

A practical way to make a planned gift to The Children's Hospital of San Antonio Foundation is to include The Children's Hospital Foundation in your will or revocable trust, or as a beneficiary of your retirement plan or life insurance. Each legacy contributes to our financial strength and ability to meet the needs of our patients. If you have already made a provision to include The Children's Hospital Foundation in your financial planning, please notify us by completing and returning this document.
